HD **HRT Daily**

Thank you for your purchase 🌸

You now have lifetime access to HRT Daily. Here's everything you need to get started.

YOUR APP LINK

https://hrtdaily.com

Bookmark it — this link is your lifetime access.

Getting started

1. Open the link above on your phone or computer.
2. Tap **Open the app**.
3. Add your treatments (patch, pill, gel or pellet), give each one a colour, and tap your dates on the calendar.

Install it on your phone (recommended)

- **iPhone / iPad:** open in Safari → Share → **Add to Home Screen** → Add.
- **Android:** open in Chrome → ⋮ menu → **Install app** / Add to Home screen.
- **Desktop (Chrome / Edge):** click the install icon in the address bar.
- **Mac (Safari):** File → **Add to Dock…** → Add.

Your privacy

All your data stays on your own device. No account, no cloud, nothing shared. Tip: avoid using "clear browsing data" for this site, or your entries will be erased — installing it as an app helps keep them safe.

Questions?

Message me on the shop where you bought this, or email hello@hrtdaily.com — I'm happy to help.

HRT Daily is a personal tracking tool, not a medical device, and does not provide medical advice. Always follow your prescriber's instructions.
